Selection of Suppliers will also be subject to a Value Banding assignment that will be applied and managed during the DPS by the LCP. Further details are provided within the procurement documents.

The Supplier Agreement includes a set of terms and conditions that may be utilised by the parties for subsequent call-offs under the DPS (albeit contracting authorities are permitted to substitute those terms and conditions with their own preferred forms subject to their on-going compliance with the restricted procedure under which this DPS is being procured).

The DPS in itself is therefore not a contract; contracts are only formed when Services are called-off under the DPS. The tender documents issued by contracting authorities for specific call-offs under this DPS will fully confirm the specific terms and conditions applicable for the execution of the Services.

Suppliers should also note that this DPS places no obligation on its approved users to procure any construction estates and property professional services during the term of this DPS.

LCP is working in association with Adam HTT Limited to develop and maintain this DPS.

Suppliers should read this Contract Notice carefully and in full before submitting their application to join the DPS.
